

God's Law or Man's Law

Recently a court case trumped up charges against John Anthony Hill in Ireland over his sending a documentary to the Court of England exposing the official 7/7 bombing in London as being an inside job by the UK Government, he exposed the Queen in Court that Elizabeth Mary Windsor was not lawfully the Queen of England. She had violated her oath massively and was coronated on a fake stone. The ramifications of this, is that all laws of which she has given Royal Assent to which were created by man, throughout the Commonwealth are now null and void. The wealth stolen by her and her can now be challenged and lawfully returned to everyone involved. This means also that you do not have to pay taxes.

In her oath she stated that she would do her utmost to uphold the Laws of God. There are approximately 916 Laws of God in the Bible, but for most the entire Bible is actually God's Law. If it is written in the Bible it is law. The Old Testament was based upon really on the first 5 books called the Torah. The Torah actually means The Law. It is the foundation upon which the Jews place their belief in for their Laws. The Christians believe that Jesus Christ was God on earth and thus everything contained within the New Testament

trumps anything of the Old Testament. Love thy neighbour as thy Self was Jesus commandment, meaning that we are all equals and what you do to another must be done to you. The Bible and the Koran are also connected to each other and Jesus is viewed as a Prophet by the Muslim world. Although they follow Allah more as they feel that the Bible has been corrupted beyond its original creation, which there is ample evidence of.

The Muslims created Country States whereby the Koran was followed as supreme law of the land. Common Law was tied closely for many hundreds of years to the Bible as the Pope controlled many Countries outside of the Muslim State Countries. Then Asia had its various religions too upon which their laws were based upon their Religious Beliefs. The native populations of the world, the Chief of the Tribe would make decisions with consultation of the Band Council etc. based upon natural laws of earth, however as we saw with the Aztecs and other tribes in Africa and South America etc. some preferred to have slaves and do ritual sacrificing which made one set of laws for the tribe and another set for their neighbours. I guess Jesus didn't get around to talking to them about God.

At any rate the illuminate used its European Country States, mainly England, France and Spain to create Pirates that would operate on Letters of Mark from the King and go out into the world and rape, pillage, steal and conquer lands for the King. There of course were rogue pirates that simply plundered for their own enrichment, but for the most part it was these Country States that were behind the major plundering of the world. Interestingly the Knights Templar were put in place by the Pope to help pilgrimages of Christians in Europe to come to Italy. The Knights took 10% of your land and wealth for this of course and became very wealthy and powerful because of it. Although they Knights themselves were poor as

they took a vow of poverty, they controlled vast amounts of land and wealth, which was eventually taken back by the Pope, and you might ask what the Pope did with it? So in the end after pillaging the entire world of its wealth and land, they had to have the freedom to create laws that would support their tyrant behaviours and mass genocide. So the Pope of course had up to this point had been using Canon Law as he is the Vicar of Christ, meaning that he stands in place of God or Christ on earth and thus hold the authority of God over all the earth according the Papal Bull of 1213 where it was stated that all human creatures were now under the Churches authority.

So after the illuminate Conquered the world they created governments that were secular in nature and thus they did not have to look at God's Laws to base any laws they passed upon what was written in the Bible or any other Religious book for that matter. They morphed Common Law into Admiralty merchant law, which is the law of pirates or law of the sea and brought onto land. Thus every PERSON is considered cargo and is extended rights and privileges in accordance to their Title. The extend Liberty to the people and brought in Democracy to give the illusion of freedom. Only people of wealth were allowed the right to rule in Canada for example, see the BNA Act as you needed \$4000 in Gold as a minimum just to be appointed as a Senator.

Of course by this time you can clearly see gross violations do unto others etc. as written in the Bible. Even the 10 commandments today are laughable when you take a look at how many cops get away with killing other people or soldiers killing unarmed civilians. What matters in today's system is who has the decision making power? In many cases the Judge even has the right to over-rule a decision made by a Jury. How does that happen eh? So the point is man's law is simply being happening all along, just the rulers of the world have never been held accountable for breaking these religious based laws.

What was ended by conquest and rule was open slavery just in the past 250 years. The USA was built by slaves from Africa and we have now reached a point where Slavery of everyone one earth is accomplished through the use of fiat currency. The ruling elite are allowed to print the money out of thin air or pass laws that will allow them to, such as the \$26 trillion dollar bailout to the Bankers, of which they won't say what they spent the money on as more and more people are being tossed out of their homes and off their property because they can't make mortgage payments. When you have the capacity to print money and everyone else doesn't and they all must work within your system of control doing jobs for long hours every day and you get to do nothing, you have enslaved everyone else.

Of course the power of control over the money is controlled by the few, who then in turn use the money to buy off politicians, Judges and other people in decision making positions of power. Thus they get to sit in the background and do whatever they want, while they got their puppets controlling the masses as their slaves. So what this is really coming down to is that the old system of open slavery has been covertly changed to give most people the illusion of freedom while being enslaved by the few. The Overseers of the system are very well paid and they encourage Businesses as they can get Business owners to act as Overseers as well, lifting the burden of enslaving the masses off the puppets that make all the decisions concerning the slave system. Instead of the Aztecs' having to go out into the Jungle and capture new slaves for sacrificing and doing their manual labour for them, they now have Business people who do that for them. These leaves the few the freedom to contrive secret networks within secret societies to get others to take oaths of which supersede that of which they may take in public for positions of power within the Country States. This has even been brought to the point where the Vatican, Washington DC and the City of London and a few others have created Country States within Countries allowing them to not be accountable to anyone for what they do to others under international law.

So truly all law is about in a nut shell is about enslaving humanity for the benefit of the few. Whenever someone says that they are extending you rights and freedoms under the “law” they are extending you slavery as, you were born free and there is no one that can prove that they hold ownership over the earth, although LORD God in Exodus 19:5 states that he owns the earth and gives the Children of Israel the okay to hold others who are not in Bondage.

5 Now therefore, if ye will obey my voice indeed, and keep my covenant, then ye shall be a peculiar treasure unto me above all people: for all the earth [is] mine:
6 And ye shall be unto me a kingdom of priests, and an holy nation. These [are] the words which thou shalt speak unto the children of Israel.

12 **And thou shalt set bounds unto the people round about,** saying, Take heed to yourselves, [that ye] go [not] up into the mount, or touch the border of it: whosoever toucheth the mount shall be surely put to death:

Exodus 19:5 is where LORD God says that anyone that is not one of the Children of Israel is a slave and may be put into bondage.

Thus any Child of Israel that sees anyone who is not another child of Israel is fair game to enslave. Today that is what we have all over the world is the enslavement of all non Children of Israel by the highly dominated Jewish Banking Cartels. This is not prejudices, this is reality and this is actual Law, LORD God’s Law upon which the Queen has sworn to do her utmost to uphold.

Thus is what all this is about. The Children of Israel, commonly known as Jews never accepted Jesus Christ as their King and killed him, rejecting all that he taught and thus the law Love thy Neighbour as thy self and others, especially dealing with money changing (Usury) etc. were conveniently ignored. The Children of Israel are taking their orders from LORD God and no one not even Jesus was going to deter them from having the easy life of enslaving their fellow man. Because LORD God put the Children of Israel above all nations they promptly created laws of control over their slaves via the extension of the Torah into the Talmud. All law today is based upon the Talmud which is the law of master slave relations.

LORD God instructed Moses to tell the Children of Israel on how to treat their slaves as per Exodus 21 and that they would have to release their slaves after 6 years if the slave wanted to leave otherwise the slave could stay as a member of the family in a lesser state of course, as Exodus 21:6 says:

6 Then his master shall bring him unto the judges; he shall also bring him to the door, or unto the door post; and his master shall bore his ear through with an aul; and he shall serve **him for ever**.

It was common practice that when you released a slave that no one would allow the freed slave to have land or any job to support themselves and thus many were forced into a life time of slavery as clearly seen what happened in the USA. There are other forms of slavery such as the head tax put on Chinese people who were brought to North America to build the railways. Many died of scurvy and never were able to pay the \$500 head tax.

JAH's victory in court pointing out that the Queen can only uphold the laws of God and nothing more brings us to the question, "Do we want a Queen to uphold the Laws of God at all?" Seriously, there are all kinds of Laws by which if broken by anyone they could be put to death. Further the Children of Israel can break any laws they want, so long as they don't harm another Child of Israel or Jew. Slaves are offered protection from LORD God up to a point. Again look at Exodus 21 and see if you would be happy living under these sets of controls.

Interestingly John Anthony Hill becomes JAH, pronounced Yah, which actually means LORD God. Now you might be wondering why I have been putting such an emphasis on LORD God rather than simply, God? Well this takes us back to the beginning of the Bible in Genesis 1 and Genesis 2. Genesis 1 describes how God created Heaven and the earth from mere thought. Genesis 2 describes how LORD God formed the heavens and earth not brought into being from thought, but by labour and thus everything else that follows this is about LORD God forming life and enslaving life believing it to be his property. Example Adam and Eve could eat and do anything they wanted in the Garden of Eden, but not take from the Tree of Knowledge for LORD God said to them that is mine, don't touch per sae'. Of course the Serpent realized that they were enslaved and the only way they would ever wake up to this fact, would be to have the same level of knowledge that LORD God had, hence the Tree of Knowledge.

Once they ate it, they realized that they were enslaved and tried to hide themselves from LORD God. The jig was up and LORD God could not keep them as his slaves anymore. Sending them to earth another dimensional level of form, they had knowledge, but they had to survive on their own and research to get the knowledge of things. Thus giving LORD God the upper hand of knowing everything about what he had formed and Adam and Eve knowing nothing.

This contrasts with God in that all thought is shared in that we have total access to all thought and all that was created from thought. The disconnection from God means that we do not operate out of love, but out of fear as fear and love are the only two emotions we experience and everything else is based

upon these two emotions. Fear is what drives this reality. It is our disconnection from God or the Source of all thought, which leads to truth, which leads to love and pure energy of thought that keeps us enslaved. Our only escape from this bondage is to reconnect back to God and thus giving us the ability to create from thought rather than create from form and thus labour. This is what is happening now and is why the Illuminati are so so desperately trying to stop. It goes beyond them and they have no

control or power over God. God created all life, what LORD God did was to mimic what God did and form life that would be disconnected from communicating or being aware of God, so he could enslave them. It creates a highly parasitic situation based upon fear. For LORD God and all his demons need fear to feed off of, for their survival. Fear only exists where there is no love. Thus they create chaos and artificial scarcity to keep the masses in a state low vibration such as all what is related to fear.

So we are about to break out of their prison. The frequency of earth and the planets are going up and as they do, it becomes harder and harder for them to keep our vibrations low. Eventually earth will ascend beyond the frequency range that that they have locked us into and take all of us with her. Some of us will ascend ahead of this time as we vibrate a higher rate all on our own. But make no mistake the prison is coming apart and will be a lot of end of the world scenarios being brought forward, but in truth life is eternal and there is nothing for us to worry about. The end of the world for the parasites is perhaps a large problem for them as they will no longer be able to feed off us as we operate from the perspective of pure thought and creation. To me the parasites are illusions anyways and will simply stop existing as their will be no fear for them only love for all.

For many believing that the court ruling was a victory was in a way right, but it is only a layer of an onion being pulled back. Once we ascend back into a state of love and thought it will be a much better time for us all. The Parasites think that reducing the population will stop this, but they are really out of the league big time on all of this. God is coming for us and he does not judge us. He is part of us all and loves us all. Love does not abandon. All law is about, is merely finding ways to enslave the masses over so the few can cherry pick the benefits of all of Humanities creations for themselves, leaving the many

with nothing. Further it allows them to practice their Satanism within a controlled environment where they are not accountable to anyone. They feed off our fear and Satanism is all about sucking life force from life, thus drinking blood and ritual sacrificing to get access to the energy released upon death. Pedophilia is massive in all this and so is mind control. However as our frequencies go up it will become harder and harder for them to do these things to us. They want us to lash out at them in rage, thus keeping our frequency low and giving them the sense of right to harm us more and cause more suffering. Love is the key. Love is our only way out of this. But we have a lot of help and the pendulum is now swinging in our favour rather than in there's. Note that God did not create any laws, it was LORD God that did. However if you try running into their courts to argue this fact you are giving them tacit permission to judge you, God does not Judge, so don't go into any court, send a letter instead.

Exodus 21

As you read, substitute the word **Servant** for Slave.

1 Now these [are] the judgments which thou shalt set before them.

2 If thou buy an Hebrew servant, six years he shall serve: and in the seventh he shall go out free for nothing.

3 If he came in by himself, he shall go out by himself: if he were married, then his wife shall go out with him.

4 If his master have given him a wife, and she have born him sons or daughters; the wife and her children shall be her master's, and he shall go out by himself.

5 And if the servant shall plainly say, I love my master, my wife, and my children; I will not go out free:

6 Then his master shall bring him unto the judges; he shall also bring him to the door, or unto the door post; and his master shall bore his ear through with an aul; and he shall serve him for ever.

7 And if a man sell his daughter to be a maidservant, she shall not go out as the menservants do.

Hence you see the word maid and servant. We commonly accept them today as being normal jobs, although the word Butler has replaced the word servant.

8 If she please not her master, who hath betrothed her to himself, then shall he let her be redeemed: to sell her unto a strange nation he shall have no power, seeing he hath dealt deceitfully with her.

A forced marriage. Of course she is sold as a slave to be raped or whatever by any other Child of Israel. Also I suppose you are allowed to have as many slave wives as you want.

9 And if he have betrothed her unto his son, he shall deal with her after the manner of daughters.

10 If he take him another [wife]; her food, her raiment, and her duty of marriage, shall he not diminish.

Yes here it is, a Child of Israel can have any number of slave wives he wants.

11 And if he do not these three unto her, then shall she go out free without money.

12 He that smiteth a man, so that he die, shall be surely put to death.

We want to terrorize our slaves, not kill them.

13 And if a man lie not in wait, but God deliver [him] into his hand; then I will appoint thee a place whither he shall flee.

14 But if a man come presumptuously upon his neighbour, to slay him with guile; thou shalt take him from mine altar, that he may die.

15 And he that smiteth his father, or his mother, shall be surely put to death.

Smiteth means to beat or harm physically. So the Children of the Family must obey Mom and Dad.

16 And he that stealeth a man, and selleth him, or if he be found in his hand, he shall surely be put to death.

Steal my slave and you get put to death.

17 And he that curseth his father, or his mother, shall surely be put to death.

Be polite to Mom and Dad Children or they will kill you lawfully. Honour Killings in other societies etc.

18 And if men strive together, and one smite another with a stone, or with [his] fist, and he die not, but keepeth [his] bed:

19 If he rise again, and walk abroad upon his staff, then shall he that smote [him] be quit: only he shall pay [for] the loss of his time, and shall cause [him] to be thoroughly healed.

20 And if a man smite his servant, or his maid, with a rod, and he die under his hand; he shall be surely punished.

So it is okay to beat your slaves so long as they don't die from your beatings.

21 Notwithstanding, if he continue a day or two, he shall not be punished: for he [is] his money.

So if you beat your slave over a day or two, no one else can interfere for you own the slave.

22 If men strive, and hurt a woman with child, so that her fruit depart [from her], and yet no mischief follow: he shall be surely punished, according as the woman's husband will lay upon him; and he shall pay as the judges [determine].

Cause a woman slave to miscarry her baby from beating on her, the Jewish Judges get to decide what of any punishment comes against the Master of the slave.

23 And if [any] mischief follow, then thou shalt give life for life,

24 Eye for eye, tooth for tooth, hand for hand, foot for foot,

If you hurt your fellow Child of Israel in this way, well and eye for an eye. But more so for the slaves.

25 Burning for burning, wound for wound, stripe for stripe.

26 And if a man smite the eye of his servant, or the eye of his maid, that it perish; he shall let him go free for his eye's sake.

Well you would want others to see you have damaged goods now would you?

27 And if he smite out his manservant's tooth, or his maidservant's tooth; he shall let him go free for his tooth's sake.

28 If an ox gore a man or a woman, that they die: then the ox shall be surely stoned, and his flesh shall not be eaten; but the owner of the ox [shall be] quit.

29 But if the ox were wont to push with his horn in time past, and it hath been testified to his owner, and he hath not kept him in, but that he hath killed a man or a woman; the ox shall be stoned, and his owner also shall be put to death.

So if you are a peasant farmer and one of your Ox hurts another man, well they could stone the Ox and put you to death.

30 If there be laid on him a sum of money, then he shall give for the ransom of his life whatsoever is laid upon him.

31 Whether he have gored a son, or have gored a daughter, according to this judgment shall it be done unto him.

32 If the ox shall push a manservant or a maidservant; he shall give unto their master thirty shekels of silver, and the ox shall be stoned.

33 And if a man shall open a pit, or if a man shall dig a pit, and not cover it, and an ox or an ass fall therein;

34 The owner of the pit shall make [it] good, [and] give money unto the owner of them; and the dead [beast] shall be his.

35 And if one man's ox hurt another's, that he die; then they shall sell the live ox, and divide the money of it; and the dead [ox] also they shall divide.

36 Or if it be known that the ox hath used to push in time past, and his owner hath not kept him in; he shall surely pay ox for ox; and the dead shall be his own.

I suggest that you do some more reading to uncover more about how it is that slaves are treated in the Bible and of course the Talmud. The Torah is the law for the Jews, the Talmud is the law for everyone else as LORD God couldn't think of everything right?

Much Love....

Rob
