

The Difference between Soul and Spirit

There are two realities at play, one is based upon the imagination and one is based upon truth. In terms of soul this was a creation of LORD God in the Bible.

It was LORD God that created the Soul and gave it to man as his property.

Genesis 2:7

And the LORD God formed man [of] the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul.

Now where does Spirit come from?

Genesis 1:2

And the earth was without form, and void; and darkness [was] upon the face of the deep. And the Spirit of God moved upon the face of the waters.

Genesis 1:26-28

26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

27 So God created man in his [own] image, in the image of God created he him; male and female created he them.

28 And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth.

The image of God contains God's Spirit. We were created after God who is all that exists after his image and likeness. Hence God is present in the image and likeness of all of creation and thus we as man have God's like spirit within us. We are one with our creator in all of creation. We are all equal and of God.

Now in terms of law, when you enter the realm of law you enter into the imaginary. Insanity exists there because there is no truth there. Imagination works on the premise of taking a mirror and reflecting back to you an imaginary image of untrue light and thus saying everything

that is reflected from the image belongs to LORD God the creator of the image. Thus it is up to you to know that you are the source of the image. The imaginary is simply just that imaginary. The Birth Certificate reflects the ownership of the soul within the illusion. The Birth certificate never existed in truth, it was created out of the imaginary and put into the world of substance and which made you believe that it was true. But the truth is that you are man holding dominion over all the earth in the context of the Bible. In real truth we are life and hold free will by our natural state of being. It is only the imposing of force over our free will by others that our free will is taken from us, which no one can prove any authority to do so.

The idea of challenging the Pope and their Papal Bulls of authority over your soul, implies that you have a soul and it is by LORD God's authority that he owns every soul on earth. It matters absolutely not, I think that you challenge the Papal Bull as it means it has some form of hold on you and you are implying that you are a creation of LORD God and not God holding your own dominion over the earth. The challenge is simply this, to state you have no soul and to ask for proof that you do as it resides within the imaginary. The Birth Certificate is the registration of your Soul to the Roman Catholic Church, as to say they own your soul, by your compliance to their law of having a Birth Certificate. Of course they use extortion on you to prevent you from having the necessities of life without having access to their system via the Birth Certificate. This is a basic attack on truth to destroy it and cause death to God's creations.

It is a system. You could use an Ecclesial Deed Poll to reverse the claim of your Birth Certificate, but God did not give you a soul, he gave you a spirit and the Roman Catholic Church's Claim is not on the spirit it is on the imaginary Soul. Thus by using a EDP for short, you are claiming the imaginary as your property and thus bringing you under the jurisdiction of LORD God as per Exodus 19:5 where LORD God claims ownership over earth:

Now therefore, if ye will obey my voice indeed, and keep my covenant, then ye shall be a peculiar treasure unto me above all people: for all the earth [is] mine:

[Frank O'Collins](#) has not addressed this in any of the work I have seen yet from his work. How do you challenge fiction? The solution is to simply state the truth of who you are and denounce their authority over you as it all comes from the imaginary. Who is LORD God? LORD God is a man, not God as stated in Exodus 15:3 **The LORD [is] a man of war: the LORD [is] his name.**

What is coming in December of 2012 is the end of fiction in that the energies that are coming to earth are going to force us out of the mind body consciousness and into one of spirit, meaning

we will no longer have imagination of mind only truth and love. Those caught within the mind constructs of the imaginary thus fear will be destroyed and become of pure spirit and those who have moved from fear to love will become beings of pure light and the reality of the mind will no longer be with those of us that make the transition. So again simply stating the truth about who you are and standing your ground as a form of life with free will is I think the key. To challenge a fiction only gives the fiction energy in which it uses to enslave you.

To see more about what I am talking about in terms of Frank's approach you should watch this video:

Although the information is excellent concerning how the Roman Cult created religion and used as a means to enslave humanity, the truth is very simple in that it is all imaginary. It is self evident that all life is free.
