

# The Fraudulent Legal System

---

I changed the name of Yahusha to Yahusha as that is his true Hebrew name. This article was written from the perspective of Christianity, which is a Pagan Religion, which changed words in the Scriptures of Yahuah (God) in order to trick people into worshiping Satan. If you want to learn more do a youtube search for Yahuah and Yahusha.

There has existed since the beginning of man a system of law, which is based upon love. The modern Legal System in place today, does not even define the word love in their Legal dictionaries. There is a true and very real system of law based upon God, then there is the fake one that mimic's God's law and judgement. It is not God that Judges, the Judgement is held within his word. Thus what you see all over the world today are laws written down in the form of word, this is again a fraudulent system. God's word is that which is written in the Holy Bible KJV for English and the actual Hebrew and Greek texts of the Apostles.

To understand this more clearly what Satan has done is to create a system of law which is the mirror, inverse and perversion of all the context of Holy Bible. In doing so the foundation of all law both in God's word and Satan's Legal System, is based upon names. The other fundamental difference between the two systems, Gods Word and the Legal System, is that God's Word is a Living System, whereas the Legal System is based upon fiction. To me more specific everything within the Legal System is dead, there is no life within it, however God's Word and God himself are living and holds all authority over all of creation. God is the creator of heaven and earth and all life their in. The Legal System mimics God's creative authority by getting people accept their creation of a Legal Name in place of their living name. Because the Legal Name is based upon fiction, it is owned by a fictional entity called the State.

All property within the Legal System is connected with Names in fiction Corporate tense, where the names are owned by the State and hold control over the people holding such names as chattel property. The State ultimately replaces God and mimic's his system and hides behind veil of secularism. Because all names are actually owned by the State, anyone claiming to be a name is treated as the Property of State and thus a Serf in most cases. All the Laws of the State are absolutely meaningless as owners of the Property of Persons and Human Beings, the State is free to disobey any laws they want so long as the individual has given consent to be ruled by the State through the use of the name issued by the State.

The Patriot/Freedom movement is filled with people who have devised various procedures within Admiralty Law, Common Law and Equity to deal with the injustices of

the State upon them and others. Unless you deal with the root issues around the system, no amount exposure of the frauds perpetuated by the State will matter, they see you as their slave as you have tacitly agreed to use their names in defence of charges laid against their (State's Property Name) name.

The problem revolves around the use of Legalese in placement of the English Language or language used within a region on earth. God did not create Nation States, he created nations of People. A Nation State exists only in fiction and is populated by Persons. Nations in truth are bodies of people from tribes created by God, who occupy land on the earth. There is in truth no Nation State created by God only lands occupied by Nations who are man and woman in truth. You will find that everything within the system is a copy and fraudulent representation of what God made and created. This is done on purpose to create confusion and ultimately to get people to bow to the authority of the State, rather than following God. There is a purpose and reason for everything to be the way it is, ultimately to prevent you from having salvation of eternal life through God.

I want to underscore that this is not about Religion. God is not part of any Religion, God is the creator of all that exists. Religion is about idolism and worshiping man or that which is created, rather than the creator. God created man, not a Christian nor a Jew etc. There are Tribes that are nations of people, but the names of those tribes come after the names of there ancestors. Such as the Tribe of Israel. Israel is not a Nation State, it is grouping of people. The Tribe of Israel is the tribe of Yahusha , Yahusha is Israel. It is about his family line down to David from Abraham. All who confess Yahusha Christ as their Saviour are adopted by Yahusha for the Father. The Father adopts us through his Son, the Son of God, Yahusha.

It is all very subtle and it would take me a long time to explain every deception, but what once you understand what is going on, you can see the entire fraud. Needless to say the more you spend studying the Bible (KJV) the more you see how everything that is going on is completely structured in opposition to God's Word, which is called the Holy Bible. Again God's Word is not a religion, it is the foundation of all truth. Our power and authority is all derived from God, those without God have no authority. I can only tell you that if you are not aligned with God, then you are aligned with Satan, we exist in a duality and as you study the System, you will see this duality always.

Okay knowing all this does really seem to help you on the surface does it? But again if you don't know what the root of the deception is, you will never find a solution. All Countries, Kingdoms and States on earth are Corporations. The deception is to get you to believe that you have no dominion over all the earth, which means to rule. This comes from Genesis 1:26-28,

*Gen 1:26 And God said, Let us make man in our image, after our likeness: and **let them have dominion** over the fish of the sea, and over the fowl of the air, and over the cattle, **and over all the earth**, and over every creeping thing that creepeth upon the earth.*

*Gen 1:27 So God created man in his own image, in the image of God created he him; male and female created he them.*

*Gen 1:28 And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: **and have dominion over** the fish of the sea, and over the fowl of the air, and **over every living thing that moveth upon the earth**.*

You never actually are asked to give up your dominion, but only to enter into a world of make believe, based upon fiction and persons. You are man and you hold dominion over all the earth. Now this dominion was moved into Genesis 2, where God formed Adam and made Eve. Genesis 1 is about all that is Good, no evil existed there. In order to have an experience of the physical realm, God had to make a realm based upon Good and Evil. The Physical Realm of Good and Evil is a duality, however more than that it is a place where we are given the opportunity to learn about love and to choose to follow God or the gods.

Dominion still exists within the physical realm, however it is up to each of us to choose between that which is good and that which is evil, always. There are consequences on both sides, doing that which is good that goes against the wishes of the State may land you in Jail. Doing what is evil or sinful, will get you on a fast track to riches, but in major trouble with God. It is therefore that those that choose God over the Satan and his fiction, are made to suffer greatly while here on earth. However I have found that when you make use of God's Word it protects you in many cases from the State and their demonic influences upon you.

In making use of God's word you must also be following God or rather be in God. Satan and his minions will pick you off faster than you can blink, if you are only using God's Word as a means for personal gain or deceit, that's their business, God is about truth. In following God you need to obey his commandments, those are the 10 commandments found in Exodus 20. Also you need to follow the commandments of Yahusha , which is to love others, Love Yahusha and Love the Father. It sounds simple, but it can be very hard at times and by loving others you find out about your nature, character and authority, which are the true attributes of your name. Your name is not a fiction.

As to your name being the same name that God wrote into the Book of Life, I am not sure if they are the same. It seems God knew us before we were born and our names were entered then. God never removes our names from the Book of Life, but may blot it out if we choose not to walk with him in love and follow his commandments, for by not doing so we are following Satan. This is absolute and it is the nature of our duality we exist within.

I won't be discussing methods on how to deal with issues surrounding the Legal System in this article for I simply wanted this to be an introduction for you to gain some insight on what is going on and why. Now that you know the basis of your authority is derived through our living God the Father via his Word, which holds Judgement on your Soul, I would suggest that you read the Chapters of Revelation and the Chapters of Genesis 1-6 to gain an understanding of the beginning and the end, using the King James Bible only as it is comes from a King and LORD God is the KING OF KINGS AND LORD OF LORDS. As a side note, for those involved in Islam, you will notice that Allah is denoted as being the Lord of the worlds in the first book second line of the Holy Koran. Allah, is not God the Father, the true creator. There is in fact a great deal of deception around the creation of Islam. The more you read the Holy Bible the more that this becomes apparent, there is no freedom in Islam only obedience and slavery. God loves us, but we must choose him and follow his commands.
